STIPULATED SETTLEMENT AGREEMENT

WHEREAS, Plaintiffs have filed this action against Defendants, challenging, *inter alia*, the constitutionality of Defendants' policies, practices and regulations regarding the detention and release of unaccompanied minors taken into the custody of the Immigration and Naturalization Service (INS) in the Western Region; and

WHEREAS, the district court has certified this case as a class action on behalf of all minors apprehended by the INS in the Western Region of the United States; and

WHEREAS, this litigation has been pending for nine (9) years, all parties have conducted extensive discovery, and the United States Supreme Court has upheld the constitutionality of the challenged INS regulations on their face and has remanded for further proceedings consistent with its opinion; and

WHEREAS, on November 30, 1987, the parties reached a settlement agreement requiring that minors in INS custody in the Western Region be housed in facilities meeting certain standards, including state standards for the housing and care of dependent children, and Plaintiffs' motion to enforce compliance with that settlement is currently pending before the court; and

WHEREAS, a trial in this case would be complex, lengthy and costly to all parties concerned, and the decision of the district court would be subject to appeal by the losing parties with the final outcome uncertain; and

WHEREAS, the parties believe that settlement of this action is in their best interests and best serves the interests of justice by avoiding a complex, lengthy and costly trial, and subsequent appeals which could last several more years;

NOW, THEREFORE, Plaintiffs and Defendants enter into this Stipulated Settlement Agreement

(the Agreement), stipulate that it constitutes a full and complete resolution of the issues raised in this action, and agree to the following:

I DEFINITIONS

As used throughout this Agreement the following definitions shall apply:

1. The term "party" or "parties" shall apply to Defendants and Plaintiffs. As the term applies to Defendants, it shall include their agents, employees, contractors and/or successors in office. As the term applies to Plaintiffs, it shall include all class members.

2. The term "Plaintiff" or "Plaintiffs" shall apply to the named plaintiffs and all class members.

3. The term "class member" or "class members" shall apply to the persons defined in Paragraph 10 below.

4. The term "minor" shall apply to any person under the age of eighteen (18) years who is detained in the legal custody of the INS. This Agreement shall cease to apply to any person who has reached the age of eighteen years. The term "minor" shall not include an emancipated minor or an individual who has been incarcerated due to a conviction for a criminal offense as an adult. The INS shall treat all persons who are under the age of eighteen but not included within the definition of "minor" as adults for all purposes, including release on bond or recognizance.

5. The term "emancipated minor" shall refer to any minor who has been determined to be emancipated in an appropriate state judicial proceeding.

6. The term "licensed program" shall refer to any program, agency or organization that is licensed by an appropriate State agency to provide residential, group, or foster care services for dependent children, including a program operating group homes, foster homes, or facilities for special needs minors. A licensed program must also meet those standards for licensed programs set forth in

Exhibit 1 attached hereto. All homes and facilities operated by licensed programs, including facilities for special needs minors, shall be non-secure as required under state law; provided, however, that a facility for special needs minors may maintain that level of security permitted under state law which is necessary for the protection of a minor or others in appropriate circumstances, *e.g.*, cases in which a minor has drug or alcohol problems or is mentally ill. The INS shall make reasonable efforts to provide licensed placements in those geographical areas where the majority of minors are apprehended, such as southern California, southeast Texas, southern Florida and the northeast corridor.

7. The term "special needs minor" shall refer to a minor whose mental and/or physical condition requires special services and treatment by staff. A minor may have special needs due to drug or alcohol abuse, serious emotional disturbance, mental illness or retardation, or a physical condition or chronic illness that requires special services or treatment. A minor who has suffered serious neglect or abuse may be considered a minor with special needs if the minor requires special services or treatment as a result of the neglect or abuse. The INS shall assess minors to determine if they have special needs and, if so, shall place such minors, whenever possible, in licensed programs in which the INS places children without special needs, but which provide services and treatment for such special needs.

8. The term "medium security facility" shall refer to a facility that is operated by a program, agency or organization licensed by an appropriate State agency and that meets those standards set forth in Exhibit 1 attached hereto. A medium security facility is designed for minors who require close supervision but do not need placement in juvenile correctional facilities. It provides 24-hour awake supervision, custody, care, and treatment. It maintains stricter security measures, such as intensive staff supervision, than a facility operated by a licensed program in order to control problem behavior and to prevent escape. Such a facility may have a secure perimeter but shall not be equipped internally with

major restraining construction or procedures typically associated with correctional facilities.

II SCOPE OF SETTLEMENT, EFFECTIVE DATE, AND PUBLICATION

9. This Agreement sets out nationwide policy for the detention, release, and treatment of minors in the custody of the INS and shall supersede all previous INS policies that are inconsistent with the terms of this Agreement. This Agreement shall become effective upon final court approval, except that those terms of this Agreement regarding placement pursuant to Paragraph 19 shall not become effective until all contracts under the Program Announcement referenced in Paragraph 20 below are negotiated and implemented. The INS shall make its best efforts to execute these contracts within 120 days after the court's final approval of this Agreement. However, the INS will make reasonable efforts to comply with Paragraph 19 prior to full implementation of all such contracts. Once all contracts under the Program Announcement referenced in Paragraph 20 have been implemented, this Agreement shall supersede the agreement entitled Memorandum of Understanding Re Compromise of Class Action: Conditions of Detention (hereinafter "MOU"), entered into by and between the Plaintiffs and Defendants and filed with the United States District Court for the Central District of California on November 30, 1987, and the MOU shall thereafter be null and void. However, Plaintiffs shall not institute any legal action for enforcement of the MOU for a six (6) month period commencing with the final district court approval of this Agreement, except that Plaintiffs may institute enforcement proceedings if the Defendants have engaged in serious violations of the MOU that have caused irreparable harm to a class member for which injunctive relief would be appropriate. Within 120 days of the final district court approval of this Agreement, the INS shall initiate action to publish the relevant and substantive terms of this Agreement as a Service regulation. The final regulations shall not be inconsistent with the terms of this Agreement. Within 30 days of final court approval of this

Agreement, the INS shall distribute to all INS field offices and sub-offices instructions regarding the processing, treatment, and placement of juveniles. Those instructions shall include, but may not be limited to, the provisions summarizing the terms of this Agreement, attached hereto as Exhibit 2.

III CLASS DEFINITION

10. The certified class in this action shall be defined as follows: "All minors who are detained in the legal custody of the INS."

IV STATEMENTS OF GENERAL APPLICABILITY

11. The INS treats, and shall continue to treat, all minors in its custody with dignity, respect and special concern for their particular vulnerability as minors. The INS shall place each detained minor in the least restrictive setting appropriate to the minor's age and special needs, provided that such setting is consistent with its interests to ensure the minor's timely appearance before the INS and the immigration courts and to protect the minor's well-being and that of others. Nothing herein shall require the INS to release a minor to any person or agency whom the INS has reason to believe may harm or neglect the minor or fail to present him or her before the INS or the immigration courts when requested to do so.

V PROCEDURES AND TEMPORARY PLACEMENT FOLLOWING ARREST

12.A. Whenever the INS takes a minor into custody, it shall expeditiously process the minor and shall provide the minor with a notice of rights, including the right to a bond redetermination hearing if applicable. Following arrest, the INS shall hold minors in facilities that are safe and sanitary and that are consistent with the INS's concern for the particular vulnerability of minors. Facilities will provide access to toilets and sinks, drinking water and food as appropriate, medical assistance if the minor is in need of emergency services, adequate temperature control and ventilation, adequate supervision to

protect minors from others, and contact with family members who were arrested with the minor. The INS will segregate unaccompanied minors from unrelated adults. Where such segregation is not immediately possible, an unaccompanied minor will not be detained with an unrelated adult for more than 24 hours. If there is no one to whom the INS may release the minor pursuant to Paragraph 14, and no appropriate licensed program is immediately available for placement pursuant to Paragraph 19, the minor may be placed in an INS detention facility, or other INS-contracted facility, having separate accommodations for minors, or a State or county juvenile detention facility. However, minors shall be separated from delinquent offenders. Every effort must be taken to ensure that the safety and well-being of the minors detained in these facilities are satisfactorily provided for by the staff. The INS will transfer a minor from a placement under this paragraph to a placement under Paragraph 19, (i) within three (3) days, if the minor was apprehended in an INS district in which a licensed program is located and has space available; or (ii) within five (5) days in all other cases; except:

1. as otherwise provided under Paragraph 13 or Paragraph 21;
2. as otherwise required by any court decree or court-approved settlement;
3. in the event of an emergency or influx of minors into the United States, in which case the INS shall place all minors pursuant to Paragraph 19 as expeditiously as possible; or
4. where individuals must be transported from remote areas for processing or speak unusual languages such that the INS must locate interpreters in order to complete processing, in which case the INS shall place all such minors pursuant to Paragraph 19 within five (5) business days.

B. For purposes of this paragraph, the term "emergency" shall be defined as any act or event that prevents the placement of minors pursuant to Paragraph 19 within the time frame provided. Such

of others, the INS shall release a minor from its custody without unnecessary delay, in the following order of preference, to:

- A. a parent;
- B. a legal guardian;
- C. an adult relative (brother, sister, aunt, uncle, or grandparent);
- D. an adult individual or entity designated by the parent or legal guardian as capable and willing to care for the minor's well-being in (i) a declaration signed under penalty of perjury before an immigration or consular officer or (ii) such other document(s) that establish(es) to the satisfaction of the INS, in its discretion, the affiant's paternity or guardianship;
- E. a licensed program willing to accept legal custody; or
- F. an adult individual or entity seeking custody, in the discretion of the INS, when it appears that there is no other likely alternative to long term detention and family reunification does not appear to be a reasonable possibility.

15. Before a minor is released from INS custody pursuant to Paragraph 14 above, the custodian must execute an Affidavit of Support (Form I-134) and an agreement to:

- A. provide for the minor's physical, mental, and financial well-being;
- B. ensure the minor's presence at all future proceedings before the INS and the immigration court;
- C. notify the INS of any change of address within five (5) days following a move;
- D. in the case of custodians other than parents or legal guardians, not transfer custody of the minor to another party without the prior written permission of the District Director;

- E. notify the INS at least five days prior to the custodian's departing the United States of such departure, whether the departure is voluntary or pursuant to a grant of voluntary departure or order of deportation; and
- F. if dependency proceedings involving the minor are initiated, notify the INS of the initiation of such proceedings and the dependency court of any immigration proceedings pending against the minor.

In the event of an emergency, a custodian may transfer temporary physical custody of a minor prior to securing permission from the INS but shall notify the INS of the transfer as soon as is practicable thereafter, but in all cases within 72 hours. For purposes of this paragraph, examples of an "emergency" shall include the serious illness of the custodian, destruction of the home, etc. In all cases where the custodian, in writing, seeks written permission for a transfer, the District Director shall promptly respond to the request.

16. The INS may terminate the custody arrangements and assume legal custody of any minor whose custodian fails to comply with the agreement required under Paragraph 15. The INS, however, shall not terminate the custody arrangements for minor violations of that part of the custodial agreement outlined at Subparagraph 15.C above.

17. A positive suitability assessment may be required prior to release to any individual or program pursuant to Paragraph 14. A suitability assessment may include such components as an investigation of the living conditions in which the minor would be placed and the standard of care he would receive, verification of identity and employment of the individuals offering support, interviews of members of the household, and a home visit. Any such assessment should also take into consideration the wishes and concerns of the minor.

18. Upon taking a minor into custody, the INS, or the licensed program in which the minor is placed, shall make and record the prompt and continuous efforts on its part toward family reunification and the release of the minor pursuant to Paragraph 14 above. Such efforts at family reunification shall continue so long as the minor is in INS custody.

VII INS CUSTODY

19. In any case in which the INS does not release a minor pursuant to Paragraph 14, the minor shall remain in INS legal custody. Except as provided in Paragraphs 12 or 21, such minor shall be placed temporarily in a licensed program until such time as release can be effected in accordance with Paragraph 14 above or until the minor's immigration proceedings are concluded, whichever occurs earlier. All minors placed in such a licensed program remain in the legal custody of the INS and may only be transferred or released under the authority of the INS; provided, however, that in the event of an emergency a licensed program may transfer temporary physical custody of a minor prior to securing permission from the INS but shall notify the INS of the transfer as soon as is practicable thereafter, but in all cases within 8 hours.

20. Within 60 days of final court approval of this Agreement, the INS shall authorize the United States Department of Justice Community Relations Service to publish in the Commerce Business Daily and/or the Federal Register a Program Announcement to solicit proposals for the care of 100 minors in licensed programs.

21. A minor may be held in or transferred to a suitable State or county juvenile detention facility or a secure INS detention facility, or INS-contracted facility, having separate accommodations for minors whenever the District Director or Chief Patrol Agent determines that the minor:

A. has been charged with, is chargeable, or has been convicted of a crime, or is the subject

of delinquency proceedings, has been adjudicated delinquent, or is chargeable with a delinquent act; provided, however, that this provision shall not apply to any minor whose offense(s) fall(s) within either of the following categories:

- i. Isolated offenses that (1) were not within a pattern or practice of criminal activity and (2) did not involve violence against a person or the use or carrying of a weapon (Examples: breaking and entering, vandalism, DUI, etc. This list is not exhaustive.);
- ii. Petty offenses, which are not considered grounds for stricter means of detention in any case (Examples: shoplifting, joy riding, disturbing the peace, etc. This list is not exhaustive.);

As used in this paragraph, "chargeable" means that the INS has probable cause to believe that the individual has committed a specified offense;

- B. has committed, or has made credible threats to commit, a violent or malicious act (whether directed at himself or others) while in INS legal custody or while in the presence of an INS officer;
- C. has engaged, while in a licensed program, in conduct that has proven to be unacceptably disruptive of the normal functioning of the licensed program in which he or she has been placed and removal is necessary to ensure the welfare of the minor or others, as determined by the staff of the licensed program (Examples: drug or alcohol abuse, stealing, fighting, intimidation of others, etc. This list is not exhaustive.);
- D. is an escape-risk; or
- E. must be held in a secure facility for his or her own safety, such as when the INS has

reason to believe that a smuggler would abduct or coerce a particular minor to secure payment of smuggling fees.

22. The term "escape-risk" means that there is a serious risk that the minor will attempt to escape from custody. Factors to consider when determining whether a minor is an escape-risk or not include, but are not limited to, whether:

- A. the minor is currently under a final order of deportation or exclusion;
- B. the minor's immigration history includes: a prior breach of a bond; a failure to appear before the INS or the immigration court; evidence that the minor is indebted to organized smugglers for his transport; or a voluntary departure or a previous removal from the United States pursuant to a final order of deportation or exclusion;
- C. the minor has previously absconded or attempted to abscond from INS custody.

23. The INS will not place a minor in a secure facility pursuant to Paragraph 21 if there are less restrictive alternatives that are available and appropriate in the circumstances, such as transfer to (a) a medium security facility which would provide intensive staff supervision and counseling services or (b) another licensed program. All determinations to place a minor in a secure facility will be reviewed and approved by the regional juvenile coordinator.

24.A. A minor in deportation proceedings shall be afforded a bond redetermination hearing before an immigration judge in every case, unless the minor indicates on the Notice of Custody Determination form that he or she refuses such a hearing.

United States District Court with jurisdiction and venue over the matter to challenge that placement determination or to allege noncompliance with the standards set forth in Exhibit 1. In such an action, the United States District Court shall be limited to entering an order solely affecting the individual claims of the minor bringing the action.

C. In order to permit judicial review of Defendants' placement decisions as provided in this Agreement, Defendants shall provide minors not placed in licensed programs with a notice of the reasons for housing the minor in a detention or medium security facility. With respect to placement decisions reviewed under this paragraph, the standard of review for the INS's exercise of its discretion

initiating any such action, however, the minor and/or the minor's attorney shall confer telephonically or in person with the United States Attorney's office in the judicial district where the action is to be filed, in an effort to informally resolve the minor's complaints without the need of federal court intervention.

VIII TRANSPORTATION OF MINORS

25. Unaccompanied minors arrested or taken into custody by the INS should not be transported by the INS in vehicles with detained adults except:

A. when being transported from the place of arrest or apprehension to an INS office, or

B. where separate transportation would be otherwise impractical.

When transported together pursuant to Clause B, minors shall be separated from adults. The INS shall take necessary precautions for the protection of the well-being of such minors when transported with adults.

26. The INS shall assist without undue delay in making transportation arrangements to the INS office nearest the location of the person or facility to whom a minor is to be released pursuant to Paragraph 14. The INS may, in its discretion, provide transportation to minors.

IX TRANSFER OF MINORS

27. Whenever a minor is transferred from one placement to another, the minor shall be transferred with all of his or her possessions and legal papers; provided, however, that if the minor's possessions exceed the amount permitted normally by the carrier in use, the possessions will be shipped to the minor in a timely manner. No minor who is represented by counsel shall be transferred without
